

Corset Class (2 days)

Corsets are surprisingly comfortable to wear and the trend is to wear them as a fashion garment for theatre, re-enactments, fancy wear and special occasions. They're not just for underwear anymore! Learn to make a corset or underbust corset for yourself or someone else during this class. The class includes the techniques for making the basic corset, plus the pattern fitted to your body. It also includes the front busk and the boning. You'll learn to make perfect angled or square corner binding. You will make either an underbust corset or a corset with full bust coverage in this two-day class.
